

introducing the agent Buddy Training Switch

Product Benefits

The **agent Buddy Training Switch** has two RJ11 Headset Ports, enabling side-by-side training like never before. Both users can join or leave the call at any time - via the mute buttons located on top of the switch - allowing quick call intervention if necessary. This device is compatible with top brands including Jabra, Plantronics and Sennheiser.

agent has become one of the fastest growing headset brands in the UK. Our cost effective, high quality headsets have enabled call centres and offices to experience higher levels of productivity and efficiency, which allows them to provide a better customer experience.
